Dear Mr. Schroeder:

With this letter I want to convey to you that you have ecclesiastical approval for the publication of the three pamphlets, entitled: The Method of Centering Prayer, A Call to Contemplation and Contemplative Outreach: Centering Prayer. By granting this approval, these pamphlets can be displayed in bookracks of churches, with the permission of the pastor.

I apologize for the delay in having this letter sent to you. I was under the impression that it had been sent some time ago.

Please be assured of my gratitude for your efforts to educate on and form persons in the use of contemplative prayer.

With prayerful best wishes, I am

Sincerely,

Monsignor Frank H. Rossi
